

TALISKER CLUB

2022 GOLF GUIDE BOOK

Welcome

Talisker Club Members,

Welcome to the 2022 Golf Season! 2022 is shaping up to be a great year for golf at Talisker Club. We are excited about the full calendar of events this season. Be sure to check out the new tournaments and instructional offerings. Several course improvements were completed at the end of last season and more will be finalized this season. We hope you will take the opportunity to participate in every way possible.

This booklet is a guide to golf for this season and will provide you with details and dates for all the club events and programs. Our major events (The Hastings, Twin Feathers, Floating Feather & Talisker Club Championship) will have a few fun enhancements and several new events have been added. We have added a season-long points race and fourball championship for the ladies as well as a reincarnation of a Ryder Cup style event for the men. Instructional programs and Junior Golf continue to expand with a focus on developing more speed for players in 2022.

The Talisker Club Advisory Board has thoroughly reviewed the golf policies this offseason and several updates have been made to try and enhance the overall golf

experience this summer. The key areas of focus are tee time bookings, guest policies, pace of play and the dress code on the course. Please take some time and review the revised policies published in this golf guide.

The online tee time system is a great tool for booking. Tee times can be booked online seven days in advance. As with any online tool, the day-to-day management of the tee sheet is better managed directly through the Golf Shop. Within 48 hours we ask you to call the golf professional staff to better facilitate tee time availability.

It is our goal to provide the best golf experience for the entire Membership. If we can assist you in any way, please reach out to one of your golf professionals. We are looking forward to 2022 being the best golf season yet at Talisker Club.

Sincerely,

John Neill
General Manager

Talisker Club Rules

TEE TIMES & GUEST POLICIES

- Each Member will be restricted to a maximum of two (2) tee times per day. Additional tee times may be made through the Golf Shop forty-eight (48) hours in advance, subject to availability or on a limited basis approval from the Director of Golf.
- Members have the ability to make tee times seven (7) days in advance. Tee times may be booked online through the member website, or by contacting the Golf Professional Staff.
- Members are expected to provide complete player information when booking tee times.
- When necessary, twosomes and singles may be grouped together at the discretion of the Golf Professional staff.
- On a limited basis, the Director of Golf reserves the right to allow fivesomes to play the golf course, when not in conflict with normal Member play, and to divide the group if they are unable to maintain their position on the golf course.
- Each Member is restricted to a maximum of three (3) accompanied guests per day. A forecaddie will be required for groups with three guests. On a limited basis, the Director of Golf may approve additional guests.
- Each guest may play the Signature golf course or use the practice areas a maximum of five (5) times per membership year regardless of the sponsoring Member.

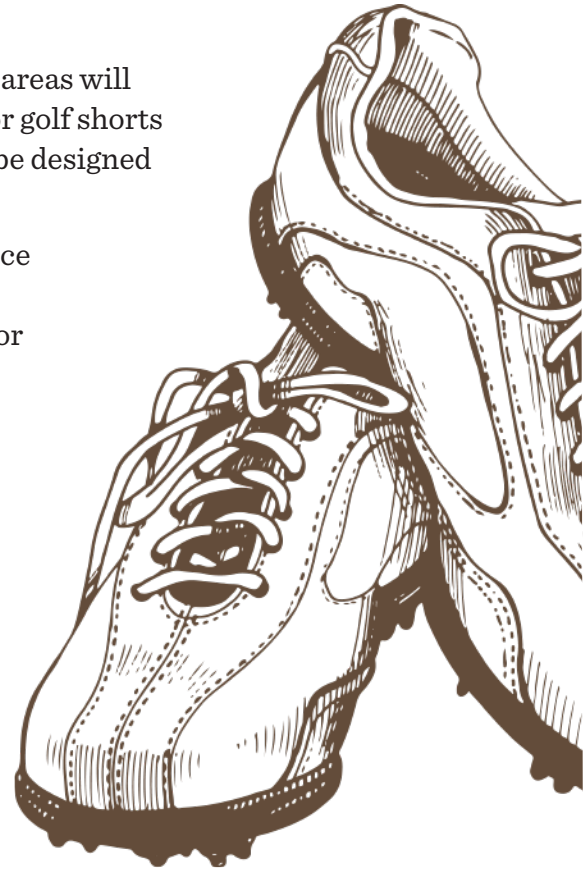

PACE OF PLAY

- A brisk pace of play is expected from all players to insure an enjoyable experience for the entire membership. A foursome playing an eighteen (18) hole round in four (4) hours would be considered an appropriate pace of play.
- If a group is unable to maintain their position on the golf course and is restricting play behind them, they will be obligated to allow the following group(s) to play through at the earliest opportunity. When necessary, a member of the golf staff may be placed on the golf course to regulate the speed of play and enforce the golf course rules.
- Foursomes will have standing on the golf course at all times. Twosomes and singles should not expect to automatically play through foursomes during busy periods and should not exert undue pressure on foursomes ahead of them.

GOLF ATTIRE

- It is expected that Members, their families, and guests will dress in traditional golf attire befitting gentlemen and ladies of a premier private club golf experience. Worn out or unkempt attire is not permitted. Any improperly dressed Members, family or guests will be asked to change prior to using the golf facilities.
- Acceptable attire for men on the Signature golf course, or practice areas will include shirts with regular or mock collars and sleeves with slacks or golf shorts worn to the knee. Men's shirts are to be tucked in. Outerwear must be designed for the intention of golf.
- Unacceptable attire for men on the Signature golf course, or practice areas will include, without limitation, sleeveless shirts, t-shirts, sweatpants, graphic hoodies, warm-ups, bathing suits, cargo shorts or pants, fitness or tennis shorts and jeans or jean shorts of any color.
- Acceptable attire for women on the Signature golf course, or practice areas include blouses of an appropriate style consisting of a collar or sleeves. Skirts/skorts should be of conservative length. Slacks, capris, leggings, and outerwear must be designed for the intention of golf.
- Unacceptable attire for women on the Signature golf course, or practice areas will include, without limitation, halter tops, tank tops, t-shirts, sweatpants, graphic hoodies, warm-ups, bathing suits, cargo shorts or pants, tennis dresses or shorts, yoga pants, fitness shorts and jeans or jean shorts of any color.
- Hats are to be worn forward facing.
- Any shoes worn on the Signature golf course or practice areas must be spikeless or have some type of soft spikes. Shoes with metal or ceramic spikes are not permitted anywhere on Club property.
- Members are responsible for informing their guests of the proper golf attire in advance of play. Improperly dressed golfers will be asked to change before using the Signature golf course or practice areas.

ETIQUETTE

- All players are expected to maintain or improve the condition of the golf course as a result of their round by avoiding wet areas with golf carts, raking bunkers after use, filling divots with seed mix and repairing ball marks on the putting greens.
- Cellular telephones, tablets and laptops must be in silent mode and used in an order to not be disruptive to other Members. If a phone call must be taken, it is expected members and guests do so in an area that does not inhibit the enjoyment of the club by others.
- Walking on the golf course is only permitted when the course is closed or prior to play. When temperatures are below 40 degrees, it is especially important to refrain from walking on turf grass as frost damage can occur.
- Fishing on the golf course lakes is restricted to when the course is closed, prior to play or when approved through the Golf Staff. Single barbless hooks and catch and release are required.

LOCAL RULES

USGA Rules govern all play except where modified by the following local rules:

- Penalty Areas are defined by red stakes and lines
- Out-of-bounds is defined by white stakes and lines
- Model Local Rule E-5 (Alternative to Stroke-and-Distance Relief for lost Ball or ball

Out-of-Bounds) is in effect.

See the diagram below for proper relief under this modified rule:

HANDICAPPING & CAP PATROL

Members who wish to participate in Club sanctioned competitions must have Talisker Club listed as a home club for their WHS Handicap.

This season the Club will implement a CapPatrol, a data driven handicap review system. CapPatrol will help keep the club in compliance with World Handicap System peer review standards and provide the membership an app to track their play. Handicaps will be reviewed in June, July, August and September to follow the Club's schedule of competition. CapPatrol recommendations will be accepted unless the peer review group determines a player has extraordinary circumstances (i.e. returning from an injury).

All Competitions will use the USGA recommendation for handicap allocations.

Construction Update

HOLE #13

Work will continue as soon as weather allows. Most of the material has been removed from the right side of the project with some smaller detailed work still needed to be completed this spring. The new green area has been pushed up and will need to be shaped early this spring along with the new bunkers. Weather permitting, the target date for completion is late May/early June and targeted opening is August. Most everything will be resodded and grown/healed in as quickly as possible.

HOLE #12

Work will begin as soon as weather allows. Both drainages will be piped and filled in creating a continuous fairway and rough area. The right side of the second fairway will be raised to create an improved landing area and lie for the second shot. A bunker will be added to the right side of the new rough area to help direct the shot from the tee. A cart path section will be added where the current bridge crosses the drainage area. The first fairway will be converted to native after removal of the bentgrass once the project is ready to be sodded. Weather permitting, the target date for completion will be May and targeted opening will be mid to late June.

HOLE #10 BUNKER

Work will begin in mid to late October to limit disturbance of golf and will be completed spring of 2023.

**All projects are subject to slight timing change based on weather conditions in the spring.*

JUNE 25th & 26th

THE HASTINGS

MEMBER • MEMBER

Talisker Club's Member-Member Championship is a net competition played over 36-Holes. Men and Women will compete in their respective flights to determine the Member-Member Champions. Pair up with a fellow Member or contact the Talisker Golf Club Professional Staff for assistance in finding a partner.

INSTRUCTION

PLAY WITH A PRO

Have you ever had a great lesson but struggle to transfer those skills to the course? Don't worry, we all have! This is an opportunity to have a playing lesson with a pro. You, 3 members, and a Pro will play 9-Holes together. We will go over strategy, course management, mental game, and how to transfer from the range to the course. The entire lesson will last about 2 1/2 hours.

- 30 min spent to go over a personalized practice strategy to help you on the course
- 2 hrs to golf

This is a great way to find out what skills need more practice to improve your game.

\$150/PLAYER

June 9 th	12:00pm-2:30pm
June 15 th	1:00pm-3:30pm
June 20 th	2:00pm-4:30pm

September 1 st	3:00pm-5:30pm
September 14 th	3:00pm-5:30pm

PRACTICE CLUB

Practice Club will run June 1st through September 24th. Practice Club will meet four times a week at varying times for one hour. Each one hour class will take on a supervised practice/lesson to give you time to learn, implement, and build your individual swing goals. Think of it as a personal trainer for your golf game. This works well in conjunction with your private lessons.

Season Pass – \$900
Month Pass - \$300
Drop-in rate – \$30/class
Max. 10 Players per class
